Friday 9th March

### **Australian Lutheran World Service Presentation**

Thursday 22nd March

### **Parent Teacher Interview**

Monday 9th April  
Student Free Day

Dear Parents,

Welcome to the new school year. I am looking forward to working together with you and sharing the opportunities that we have to create a wonderful year of learning. I have enjoyed getting to know your child over the last couple of days and we have already started to build strong relationships with other members of the class and myself.

Just a little about me for those who don't know me. This is my 17th year at Loxton Lutheran School. Before I had my daughter Lily, I taught in Junior Primary for 8 years. After Lily was born I returned to do relief teaching for 2 years and small contracts within the school. When I returned from maternity leave, I was the PE/Health Specialist teacher for 3 years. The last 2 years, I have been teaching in the Year 7 class.

It is a very busy term. Please take note of the upcoming events and write them in your diaries or your calendar on your phone.

Parents are very welcome in the classroom. We encourage you to have a current police check and have the valuing safe communities certificate so that you can volunteer. Please see me if you are willing to help out. Even 10 minutes in the morning to listen to reading is very helpful!

During the week I sent home the See Saw parent App information. Please see me if you have any issues signing up with the App.

Parent Information Night provides an opportunity for us to meet and to share information regarding routings and expectations for the year. Our Parent Information Night will be held on Monday 5th February, week 2 from 7:30-8:00pm in our classroom. We look forward to meeting you. There is a BBQ for families to stay and have something to eat and meet people.

Please contact me if you have any questions.

Have a great week.

Yours in Christ,  
Rebecca Loxton
