

Testimonial..

Loxton Lutheran School made reading, writing and crunching numbers interesting and enjoyable! Splash Carnivals, Maths games, class camps, Crazy Hair Days, band practices, creative writing and fitness activities made for many fun and valuable experiences.

I also learnt a lot about God through songs, chapel services, class devotions and the Christlike example of the staff.

I have many reasons to be thankful for my experience at Loxton Lutheran School, and continue to enjoy the lasting friendships formed with classmates and ongoing encouragement from teachers.
