

Testimonial..

From science experiments with curds and whey, to fire-truck races on sports day. Camps of canoeing down the river, drama skits, and jumping into giant foam pits. Dressing up as clowns for end-of-year concert, and squishing cream pies into my friends' faces.

As well as amazing opportunities to learn academically, Loxton Lutheran School provides encouraging and innovative teachers, awesome friendships, and memories that will last forever. For helping to nurture my faith and supporting my growth as an individual, I truly am thankful for my time at Loxton Lutheran School.
